**Technical College Scholarship Fund Award of \$1,500.00**

**Essay Questions**

- 1. How did you determine your future career path? What influences played a role in your upcoming post-secondary plans?**
- 2. How will your Technical College post-secondary career help you give back to your community?**
- 3. Describe a time/experience in High School where you were able to be a leader. What did that role look like and how did you bring other participants into the activity? What do you consider to be positive leadership qualities? If you have not held a leadership role – how have you been a supportive team member?**
- 4. Most students need financial support to be able to afford their upcoming college expenses. How are you planning to meet this financial challenge so you can complete your program?**
- 5. Please let the committee know any additional information that you may feel is important to help make a scholarship award decision.**
